 **Arizona Musicfest 2016**

 Arizona Musicfest 2016, kicked off the new season with a brilliant 25<sup>th</sup> Anniversary Celebration. Commemorating 25 years of outstanding entertainment, Lucie Arnaz, sponsored by RTS Private Wealth Management (RTS), indulged the 25<sup>th</sup> Anniversary audience with a sizzling performance of her sensational new show "Latin Roots".

**Lucie Arnaz, Star of TV, Broadway and Film**

Lucie Arnaz, the daughter of two iconic entertainers, brought an evening of song and dance to the Musical Instrument Museum Monday evening, January 18. In celebration of Arizona Musicfest's 25<sup>th</sup> Anniversary, and paying tribute to her Latin heritage, Lucie took the audience by storm. A touch of Tropicana and Rio Carnival arrived in Scottsdale with Latin classics such as "Blame it on the Bossa Nova", and "El Cumbanchero". Lucie's love of Latin rhythms paid homage to her father, Desi Arnaz, as she reminisced about life with him and the music he made so popular as an orchestra leader. Her Latin roots came to life as Lucie gracefully combined cha-cha-cha and mambo dance steps with her alluring vocals. We won't forget her crooning quintessential favorites such as "Johnny Angel", among others. Good. Great. Over the top Magnificent !
